COMMUNION: Communion is both a participation in Christ's true body and blood for the forgiveness of sins, and a statement of fellowship among those who participate. Members of our congregation, and members of a sister congregation of the Lutheran Church-Missouri Synod who have properly prepared themselves are invited to attend. If you are not an LCMS member or are of another denomination or synod, please see the Pastor before communing for the first time.

Trustee note: We are attempting to find ways to reduce our demand of kw (*kilowatt*) charges from APS. In our efforts we have made several attempts to not have the kitchen A/C used. The thermostat in the kitchen controls the HVAC unit for the kitchen and bathrooms. In 2016 we spent \$2,629.52 in demand charges; in 2017 it was \$2,364.83; so far for 2018 we are at \$1,604.61 in demand charges. On August 1 the rate is supposed to be \$17.438 per kw demand. We estimate that will be an increase of over \$300 per month in kw demand charges. We have no way of knowing if the non-usage will save us any money unless we try. So starting Sunday August 5th we would like to turn the thermostat off. Thank you for your understanding as we look into this potential cost-saving option for the church.

Welcome back Pastor Kessler and family from your vacation travels.
